Nature Into
The World**

About Us

At Lockwood Interiors, we are your one-stop destination for transforming spaces with natural elegance and enduring style. As a trusted name in premium flooring, decking solutions, we take pride in offering a diverse portfolio of products tailored to meet both modern and traditional design preferences.

Whether you're revamping your home, building your dream office, or curating an inspiring commercial environment, our passionate team is committed to delivering flawless finishes, superior craftsmanship, and timely execution — every single time. Let us help you turn ordinary spaces into extraordinary experiences.

What We Offer

01

HARDWOOD FLOORING

Experience the timeless beauty and warmth of natural hardwood flooring. We offer a wide selection of species, colors, and finishes to complement any design aesthetic.

03

ENGINEERED WOOD FLOORING

Enjoy the elegance of hardwood with the added durability and stability of engineered wood flooring. Our collection features a variety of styles and textures to suit your preferences.

05

LAMINATE WOODEN FLOORING

Achieve the look of real wood at a fraction of the cost with our high quality laminate flooring. It's durable, easy to maintain, and available in a range of stunning designs.

02

PARQUET FLOORING

Parquet flooring is a type of wooden flooring made by arranging small wooden blocks or strips into decorative geometric patterns. It offers a stylish, luxurious, and timeless look often seen in premium homes, hotels, and heritage interiors.

04

JUNCKERS FLOORING

Juckers flooring products are engineered with advanced technology for stability, waterproofing, and long-term performance. With rich textures and realistic finishes, they offer a perfect balance of beauty, strength, and functionality.

06

SPC FLOORING

Discover the ultimate in waterproof and scratch-resistant flooring with our SPC (Stone Plastic Composite) flooring. It's perfect for high-traffic areas and offers exceptional durability.

07

IPE WOOD DECKING

IPE WOOD is one of the most premium hardwoods used for outdoor decking, cladding, and exterior architecture. Known for its exceptional strength, natural beauty, and extreme durability.

08

PINE WOOD

Our cladding materials offer exceptional insulation and a striking visual impact, perfect for modern and traditional designs.

09

THERMOASH WOOD

Thermo Ash Wood is a premium hardwood that undergoes a high-temperature heat treatment process, enhancing its durability, stability, and natural resistance to moisture and insects .

10

CARPET FLOORING

Indulge in the comfort and warmth of premium carpet flooring. We offer a wide variety of styles, colors, and textures to suit your needs.

11

CHARCOAL PANELS

Elevate interiors with our stylish wall panels, which add texture and sophistication while maintaining simplicity.

12
